The Cresti family have owned Carpineta Fontalpino Vineyard since the 1960's. The vineyard is located in the middle of Tuscany, very close to Siena and the historical village of Castelnuovo Berardenga. The surrounding territory is rich in history and legends. The caretakers of Fontalpino strive to maintain the unaltered countryside and its traditions intact. As vineyard oenologist, Gioia Cresti is responsible for all production phases, using her years of experience in France and her tutelage under Carlo Ferrini to create wines that reflect her own personal style.

Do Ut Des is an ultimate expression of Gioia's skill as a winemaker. It is somewhere between a Bordeaux and a Brunello. Ruby in colour, this red boasts a medium nose exuding woody, spicy, floral and fruity aromas. Full bodied, expressing refreshing acidity and offering a broad texture and firm tannins. It also unveils an intense mouthfeel that leads into a long finish.
