The Follador family goes back generations as farmers of the soils in the hills of Valdobbiadene – the heart of Prosecco production. This tradition continues, as Vittorio Follador and his family produce exceptional sparkling wines today. ‘The Follo’ is a village in Valdobbiadene, on the famous foothill of Cartizze. The winery is situated near this village of old wine tradition, which expresses the history and culture of these lands, and it has become IL Follo’s brand since 2002.

IL Follo’s delightful sparkling rosé has a beautiful gemstone pink colour, with a nose of fresh strawberries. It is elegant and stylish, crisp and refreshing. Shows off sweet cherry hard candy on the palate, balanced by pleasant acidity and a fine, smooth mousse finish.
