Three Women of Design reinterpret the charm of Italian wine with elegance and emotion. PLATINUM was dreamt, studied and created by Sonia and Marzia Ferretti and Mariateresa Rucolo, who shared together their own personal experiences and their passion for wine, realizing a 'SOGNO' (dream). The wines of Abruzzo are well known and appreciated worldwide. This area, thanks to the history and culture of production, and the unique climatic and geological characteristics, allows expression of the native grapes for an enriching wine drinking experience.

The grapes underwent a gentle pressing, a submerged cap maceration with controlled temperature fermentation, and first racking when the quality parameters were reached. Aged in stainless steel to maintain bright red fruit aromas and flavours, and evolved in bottle before release.

This wine has intense ruby red colour with violet nuances, and a bouquet that shows off the primary grape aromas. It is perfectly balanced in fruit and structure. Flavours are fresh, clean and in good balance, with cherry well represented on the palate.

An ideal wine for matching with Mediterranean dishes, or as a sipper all on its own.
